

Accrual of 18% p.a. for 2014

AL Trade Inc. Company accrues 18% p.a. to free funds to active trading accounts such as:

Standard account	18% p.a. to free funds
Mini account	11% p.a. to free funds
Micro account	7% p.a. to free funds

Accrual of 18% performs automatically to free deposit at the end of each month. The promotion starts from January 1st, 2014.

All customers participate automatically in this promotion. An accrued sum will appear at balance line and be added to the current balance (Equity), so the customer can use it without any restrictions.

Terms and conditions:

To get the accrual customer have to make certain number of orders at its trading account according to account type:

Standard account: 18 standard lots per month (opening of order and its closing)

Mini account: 11 standard lots per month (opening of order and its closing)

Micro account: 3 standard lots per month (opening of order and its closing)

Accrual of 18% p.a. will be annulated if the specified number of orders was not performed.
